

Application Letter

To: World Health Organization (WHO)

Job Location: Khost

Job title: Data Clerk

Date: 15/02/2024

Dear Sir/Madam

I read with great interest your Ad in “easyjoob.com” I am applying for the position of (**Data Clerk**); I believe this position offers the challenges that my education and work experience have prepared me to handle such tasks on professional basis. I am a graduate of the **Dr. K. N. Modi University Newai, Jaipur India** and hold a bachelor’s degree in **computer science & engineering**.

I am a resident of Khost province, and I am currently working with Afghan Telecom based in Khost province as IT officer where I do maintain all the related databases.

I have more than 4 years of relevant work experience in Database management/maintenance systems, reporting, extracting, and exporting data from various databases especially in the field of data entry clerk with various governmental and non-governmental organizations.

Finally, I am available at any time to discuss further your job requirements and my qualifications. In this connection, please find attached my resume for your perusal. Here below is also my email, contact address and number in case you are interested in my profile.

Thank you for your precious time and consideration and looking forward to hearing from you.

Mohammad Nabi Hemat: The Applicant
Home address: Khost, Afghanistan
